

Be There With Bells On!

Come Jingle in July!

If you register **early** for the Jingle Bell Run/Walk this year and raise \$100 by September 30th, 2010, you could win a **pair of round-trip Delta airline tickets** or an **Apple iPad!**

Here's how:

Step 1: Register for the Jingle Bell Run/Walk by visiting www.arthritis.org (Your registration fee counts toward your fundraising total.)

Step 2: Reach out to friends, family and co-workers to support you by joining your team or donating to the cause.

Step 3: Celebrate the season of giving! Every dollar you raise helps provide research and programs to dramatically improve the lives of your friends, loved ones and everyone living with the agonizing pain of arthritis. That's about 46 million lives you can help impact!
